

Official Advisory of Subic Bay International Terminals

1 APRIL 2024

ADVISORY NO. 2024-00010

Subic Bay International Terminals (SBITC), International Container Terminal Services, Inc.'s business unit operating the New Container Terminals 1 and 2 at the Port of Subic in the Philippines, has been added to the rotation of Ocean Network Express' (ONE) China Thailand Philippines (CTP) service.

ONE's CTP service made its inaugural call to SBITC on 26 March with the arrival of Marina One.

The CTP service links the Port of Subic to East Asia, complementing the existing route between the Philippines and Singapore by further enhancing convenience for customers. It also makes regular calls to Manila International Container Terminal at the Port of Manila.

With a turnaround time of 28 days, the service rotates through the following ports: Laem Chabang (Thailand), Cai Mep (Vietnam), Manila (Philippines), Subic (Philippines), Qingdao (China), Pusan (South Korea), Shanghai (China), Laem Chabang.

Operated by a consortium of ONE and Regional Container Lines (RCL), the CTP service utilizes four vessels – three from ONE and one from RCL.

SBITC sits strategically within the Subic Bay Freeport Zone in Zambales with access to major intra-Asia shipping routes, serving as the gateway to northern and central Luzon.
